

# MinSouth

## Membership Application Form

MinSouth is shorthand for the London & Southern Counties Minerals Industries Institute, which is affiliated to the Institute of Materials, Minerals, and Mining (IMMM). If you are a Member of the IMMM, you can join MinSouth simply by checking off the MinSouth box on your IMMM registration form or by using the form below.

Non-members of the IMMM are also eligible to join MinSouth as Affiliates. Affiliate Membership is offered to professionals who may not have an engineering or science background suitable for IMMM membership but whose work is involved with the mining and minerals industries. This group may include mining analysts and mineral traders as well as lawyers, accountants, economists, and commercial personnel employed by or associated with the mining industry.

### Benefits of Membership

MinSouth organises a full programme of events at London venues: monthly early evening lectures presented by top quality speakers that are followed by social events (with buffet and cash-bar) plus grander scale social events such as the Annual Dinner, the Prestige Lecture, and the last Thursday of the month, "Mining Sundowner". Non-members are eligible to attend the lectures and the Annual Dinner as guests. If you have attended regularly as a guest then we encourage you to become an Affiliate. You would then attend meetings as a member (and bring your own guests). As an Affiliate, you will be "in the Loop" and will receive full advance details of MinSouth meetings.

As added benefits you will be able to take advantage of any member discount, you will be entitled to participate in the E-membership of IMMM and you will have the opportunity to contribute to the running of MinSouth.

**The annual subscription for an Affiliate is £20**

For further information visit the website at [www.minsouth.org.uk](http://www.minsouth.org.uk)
